

**2020 Stanislaus County Amateur Radio Emergency Service  
ARES Weekly Net Script**

**Opening the Net:**

QST, QST, QST. This is. (Call, Name) in (City), Net Control, opening the Stanislaus County Amateur Radio Emergency Services weekly net. This is a directed net. Please do not transmit unless called by net control. All stations checking in, please do not leave the frequency without properly checking out, this includes visiting stations that have checked in. This does not mean you cannot leave, just please check out prior to doing so. Stations with traffic for the net, please indicate to net control when you check in. During roll call only ARES members will be called, however visiting stations will be accepted afterwards. For stations interested in joining the ARES organization, information will be provided before the closing roll call. ARES Members should make sure that their contact information is up to date, Please send any changes to [membership@stanares.org](mailto:membership@stanares.org).

**Opening Roll-Call:** {Check for emergency traffic prior to roll call}

{Call roll}.
