NEW COURSE FOR 2022; BACK TO OLD ONE IN 2023?

Presented by Golden Chain Cyclists
& Velo Promo LLC

Held under USAC Racing Rules & Permit 2022-5196

Notes: While traffic on the course is controlled, there are still vehicles on the roadways; pay attention to them and to other hazards, and make others in your race aware of hazards as well, particularly other race groups and follow vehicles. **Turlock Road will have oncoming traffic, and is single lane for the race (with wide shoulder).**

Registration: Opens at 7 a.m. at Henderson Park, 1 mile east of Snelling on County Road J-16 (Merced Falls Road). Closes 15 minutes before scheduled starting times.

Course: Due to the closure and planned rebuilding of the Dry Creek bridge on Los Cerritos Road, we are using the old Foothill course clockwise from the old McLane/Merco races this year. A 23.7 mile loop of country roads west of Snelling, CA 95369, starting with a 3-mile promenade from the Park, via J-59, Emma, Montgomery Streets and Keyes Road. Several small hills, several sharp turns, excellent to fair pavement. Course is closed to oncoming traffic, both lanes available, **except on Turlock Road.** The Loop: Cox Ferry (with bumpy downhill), Turlock, Looney, Monte Vista, Bledsoe, Keyes. Finish line on Keyes (at old course feed zone) or Cox Ferry, top of hill, tba. See information at reg. about parking for finish line & feed. Feed zone is on Cox Ferry just south of Keyes.

Directions: From Merced and Hwy 99 northbound, take G Street exit and head north 16 miles to Hwy 59. Turn right, and go through Snelling past the school and straight (not left) onto J-16 to the Park. From southbound Hwy 99, take Keyes Road exit 7 miles south of Modesto, head east 11 miles to Montpelier Road, then south (right) 6.5 miles to Turlock Road, then left (east) 8 miles to Hwy 59 & left through town (see above). While Keyes Road goes east of Montpelier directly to the course, don't take it; you will have to backtrack 20 miles.
