2026 Stanislaus County Amateur Radio Emergency Service
ARES Weekly Net Script

Opening the Net:

QST, QST, QST. This is, ***(call sign)*** *in* ***(city)***, Net Control, opening the Stanislaus County Amateur Radio Emergency Services weekly net. This is a directed net. Please do not transmit unless called by net control. All stations checking in, please do not leave the frequency without properly checking out. This also includes visiting stations. This does not mean you cannot leave, just please check out prior to doing so. Stations with traffic for the net, please indicate to net control when you check in. During roll call ARES members will be called first, visiting stations will be accepted afterwards. For stations interested in joining the ARES organization, information will be provided before the closing roll call. ARES Members please make sure that your contact information is up to date, send any changes to **membership@stanares.org**.

Opening Roll-Call: {Check for emergency traffic prior to roll call}
First ask for any station checking in via Echolink?
Call Regular roll and Regular Visitor roll.
Do we have any late or missed members?
Do we have any additional visiting stations?

THIS IS *(call sign)* NET CONTROL FOR THE STANISLAUS COUNTY ARES WEEKLY NET

THIS IS **(call sign)** NET CONTROL FOR THE STANISLAUS COUNTY ARES WEEKLY NET

Concluding the Net:
At this time, we wish to thank the Stanislaus Amateur Radio Association for the use of the WD6EJF repeater. Stanislaus ARES meets the Second Saturday of the Month at 10AM, at the Stanislaus County Office of Emergency services, 3705 Oakdale Road in Modesto. Our 2 meter Voice and Packet Net's meet every Wednesday night at 7:00PM for Packet and 7:30PM for voice, and they are open to all amateurs interested in emergency communications. If you want more information on ARES operations and membership, please visit the ARES website at www.stanares.org.

Closing Roll Call:
Please respond to the closing roll call.

Closing the Net:
This is ***(call sign),*** net control for Stanislaus County ARES, closing the net at (TIME), and returning the repeater to open service.
